Reasons for nominating for the Board (Max. 100 words)

Nomination for PRECI Board 2026

If elected to the Board, I agree to perform the following duties as required by the Australian Charities and Not-for-profits Commission under Governance Standard 5:

To act with reasonable care and diligence. You must exercise your powers and duties with the care and diligence that a reasonable person would if they were in your place.

To act in good faith in the best interests of the charity and for a proper purpose. When acting as a board member you must make decisions that are in the best interest of the charity and to further its charitable purpose.

Not to improperly use information or position. Any special knowledge that you gain as a Director must only be used for the benefit of the charity and never to further personal or other interests. Similarly, you must not use your position to improperly gain an advantage for yourself or someone else, or cause detriment to the charity.

To disclose conflicts of interest. If your duty to act in the best interests of the charity is in conflict with (or may conflict with) your personal interests you must disclose this responsibly.

To ensure that financial affairs are managed responsibly. Ensure that there are systems and processes in place that ensure that the charity's resources are being effectively put towards the charity's charitable purpose and are protected from misuse.

Not to allow the charity to operate while insolvent. You must ensure that the charity can pay its debts when they are due or will become due and that it does not continue to operate if it cannot pay its debts.
